

Which Church Are You Like?

Church	Instructions
<i>Ephesus</i>	Good job working hard, not putting up with sin, and being faithful. But you are not acting out of love for God anymore.
<i>Smyrna</i>	Even though you are poor and are suffering, you will be rewarded at the end.
<i>Pergamum</i>	You are living in a very wicked place where people love to sin, and you are mostly faithful. But you have followed some of their sinful practices, and you must stop!
<i>Thyatira</i>	Good job being faithful. You don't give up! But, you are putting up with an evil woman in your church who is leading others astray. She will be punished for her sins and so will those who follow her!
<i>Sardis</i>	It might look to others like you are doing everything you need to do, but you are really dead inside. You need to obey what you have been taught.
<i>Philadelphia</i>	Good job being faithful!
<i>Laodicea</i>	Because you are so rich, you have become complacent. You neither hot nor cold - you are lukewarm! I want to spit you out of my mouth! But I'm here waiting for you to return to me.
